

SELF-EVALUATION QUESTIONNAIRE FOR PARTICIPANTS

It will allow you to collect feedback from participants so as to improve the activities in the future.

What were your initial expectations?
Have some of them been fulfilled?

Logistics	Disliked a lot		Liked a lot	
	1	2	3	4
Location				
Materials				
Handouts				
Which factors do you think facilitated your learning process?				
<i>(e.g.: group work, participants' contributions, timing, methodology used, activities, etc.)</i>				

Learning outcomes	Very little			A lot	
	1	2	3	4	5
I learnt more about non formal education, methods and methodologies					
I feel I improved my skills in art-based methodologies					

I feel I improved my skills and competences so as to organise new training activities with young people					
I improved my communication skills (non-verbal, listening, speaking)					

Participation	Very little		A lot		
	1	2	3	4	5
I feel I participated actively					
I feel I give an important contribution					
I think the group could learn/benefit from my contribution					
I felt respected and appreciated by the group					
Please, give us more details and describe how you contributed to the activities.					

Team and Working atmosphere	Very little		A lot		
	1	2	3	4	5
The team listened to my comments and suggestions					
I felt respected and appreciated by the team					
The programme and the approach allowed me to share own experiences					

Training activities: topics and contents

1- Negative; 10 - Positive

1	2	3	4	5	6	7	8	9	10
---	---	---	---	---	---	---	---	---	----

Training activities: approach and methodologies

1- Negative; 10 - Positive

1	2	3	4	5	6	7	8	9	10
---	---	---	---	---	---	---	---	---	----

Training activities: relationships and experience

1- Negative; 10 - Positive

1	2	3	4	5	6	7	8	9	10
---	---	---	---	---	---	---	---	---	----

Is there anything else you would like to add?
