

# SELF-ASSESSMENT + EVALUATION TOOLS

This section will provide you with tools that will allow you to evaluate your learning path and to collect feedbacks from participants.

## SELF-REFLECTION TOOL FOR YOUTH WORKER

The following tool has been designed to allow you to evaluate the competences you have acquired thanks to this OER. However, it has a flexible structure that can be adapted to different contexts. You can change some questions and make the template work for other training courses.

<b>WHAT I HAVE LEARNT FROM READ OER..</b>					
<b>Which sessions of this OER will support my work?</b>					
<b>Did I have any difficulties understanding the activities? If so, why?</b>					
<b>Track your progresses in the following areas:</b>	<b>Low</b>			<b>High</b>	
	<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>
<b>Understanding different kinds of education (Formal, Non-formal and Informal)</b>					

<b>Mastering art-based techniques</b>					
<b>Developing facilitation skills</b>					
<b>Improving creative thinking</b>					
<b>Group management</b>					
<b>Using non-formal approaches to foster literacy among youth</b>					
<b>Do I feel more comfortable in organising activities with and for young people?</b>					
<b>Was I provided with more inputs to develop my own activities based on non-formal education and/or art-based methodologies?</b>					
<b>Which skills do I need to develop further?</b>
